

The Year of 2009 with the Shreves

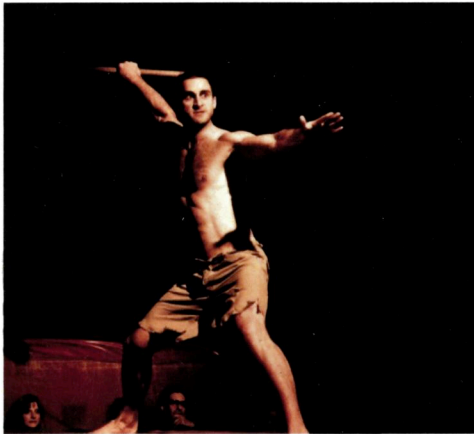

We are now a family of six with the addition of Michael who was born May 28th. Michael is well loved by all. We have had a healthy and happy year.

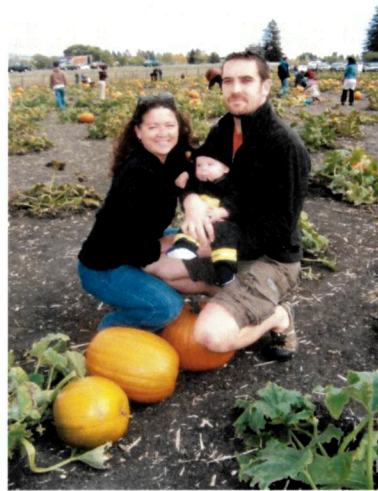

John spends his retirement running, did another climb up Mt. Shasta, of course, the motorcycle rides. He also builds and flies radio control planes and helicopters

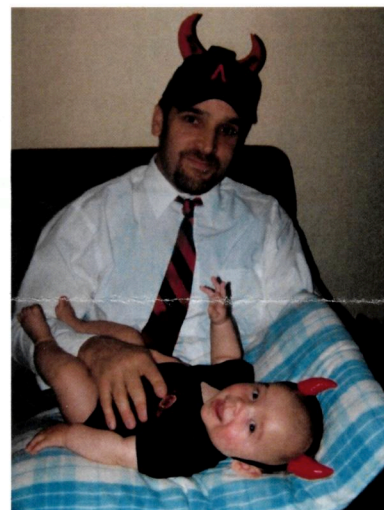

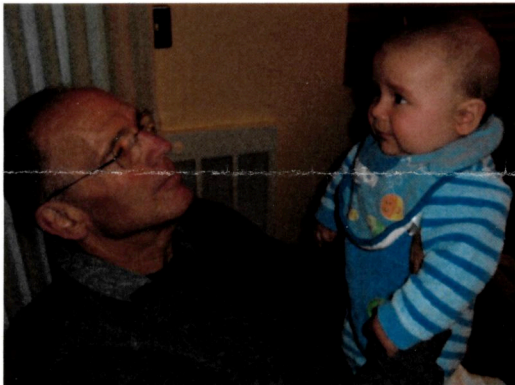

I went on trips to Hawaii, Spring training, mid-West genealogy tour, and New York & Connecticut. I also babysit Michael two days a week.

Brad is a NASM certified personal trainer and founding member of Matchbook Productions for the promotion and production of trapeze performances.

The big life changing event was when Michael Aleksandr was born in May. Aaron is in the band "The Rotten Tomatoes" that actually performs. Aaron continues to teach math and science to sixth graders and Rita works in the accounting dept. at Fireman's Fund.

Happy holidays to you and yours from the Shreves
