

Merry Christmas John Donna Shreve

Donna's year of 2014 was highlighted by a trip to Australia with brother and sister-in-law. Fantastic hosts were extended family from Donna's parents hosting exchange students. Donna continues her writing class, knitting groups, exercise and Giants baseball. Misha, age 5, has started his schooling and is enjoyed by his grandparents. Aaron and Rita have settled in Rohnert Park and continue their jobs and activities. Brad has introduced us to Alex Dropo and he is welcomed into our family. Brad and Alex are personal trainers in NYC. John pedals more than he Harley-rides anymore, and runs distance the rest of the time, entering several races in the year. Feel free to make an offer on a fine touring Harley!
